 Part X Line 2 The School is exempt from federal income taxes under Section 501(c)(3) of

 the Internal Revenue Code and applicable state law. The accounting standards on accounting

 for uncertainty in income taxes address the determination of whether tax benefits claimed

 or expected to be claimed on a tax return should be recorded in the financial statements.

 Under that guidance, the School may recognize the tax benefit from an uncertain tax

 position only if it is more likely than not that the tax position will be sustained on

 examination by taxing authorities based on the technical merits of the position. Examples

Part XIII Supplemental Information *(continued)*

of tax positions include the tax-exempt status of the School and various positions related
to the potential sources of unrelated business taxable income. The tax benefits recognized
in the financial statements from a tax position are measured based on the largest benefit
that has a greater than 50% likelihood of being realized upon ultimate settlement.
Management believes that there were no potential sources of unrelated business taxable
income subject to tax for the years ended June 30, 2022 and 2021. Accordingly, no
provision for income taxes has been made. The School files its forms 990 in the U.S.
federal jurisdiction and the office of the state's attorney general for the State of
Maine. The School is generally no longer subject to examination by the Internal Revenue
Service for years before 2019.
