

Dear Maine Arts Academy Families,

The Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) mandates that all states and school units provide an annual report card that shares the achievement and progress of students and schools as well as information about graduation rates and the qualification of teachers in the school unit. The data gleaned from the report card serves to inform school and district improvement initiatives. In addition, the data can assist parents and community members in working effectively and productively with educators to support student achievement.

The 2024-2025 report card Maine Educational Assessment (MEA) participation rates for students with limited English proficiency and students with disabilities. We have provided a link to the full report card at this address: <https://www.maine.gov/doe/dashboard>

Thank you for your continued support of the Maine Arts Academy. We value the partnership between the schools and community. By continuing to work together in the best interests of our students, we can provide an excellent academic experience for your child.

If you have questions about the ESEA Report Card or the data presented, please contact the school office or Head of School.

PARENT AND FAMILY ENGAGEMENT POLICY

The Title I Parent and Family Engagement Policy has been developed jointly with, and agreed upon by Maine free Academy Head of School, Title I staff, Title I Coordinator and Maine Arts Academy Parents, which includes parents of children participating in the Title I program. **Because Maine Arts Academy is a Title 1 School, all students who need support are served under this policy.**

Maine Arts Academy agrees to implement the following statutory requirements:

- Maine Arts Academy will put into operation programs, activities and procedures for the involvement of Title I, Part A parents, consistent with section 1116 of the Every Student Succeeds Act (ESSA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children.
- In carrying out the Title I, Part A parental engagement requirements, to the extent practicable, Maine Arts Academy will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under ESSA in an understandable and uniform format and, including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- Consistent with section 1116, Maine Arts Academy will ensure that the required school-level parental involvement policies meet the requirements of ESSA section 1116 and include, as a component, a school-parent compact consistent with ESSA.

Maine Arts Academy will be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition:

Parental involvement means the participation of parents/guardians in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

- (A) that parents play an integral role in assisting their child's learning;*
- (B) that parents are encouraged to be actively involved in their child's education at school;*
- (C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.*

1. Maine Arts Academy will take the following actions to involve parents in the joint development of its parental involvement plan under section 1116 of the ESSA:
 - A Title I parent meeting will be held each fall. At this time the Title I staff and parents will work collaboratively to review/revise the Parent and Family Engagement Policy and the School Parent Compact. At this meeting, parents will be asked to provide input and discuss any revisions to the School-Parent Compact and the Parent and Family Engagement Policy.
 - In addition to the parent meeting, an additional annual meeting will be held with those parents

that volunteered to be a member of Maine Arts Academy Parent Group.

2. Maine Arts Academy will take the following actions to involve parents in the process of school review and improvement under ESSA:

5. Maine Arts Academy will take the following actions to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part A school. The evaluation will include identifying barriers to greater participation by parents in parental involvement activities (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background). The school district will use the findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise, if necessary (and with the involvement of parents) its parental involvement policies.

The evaluation will also include identifying the needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers and strategies to support successful school and family interactions.
