

Maine Arts Academy Accepting ESEA Application Comments

Please share your thoughts about the application's goals and priorities by July 12, 2022 by clicking [here](#).

Maine Arts Academy (MEAA) accepts funding through the Elementary and Secondary Education Act (ESEA) of 1965. As required by ESEA, the school must provide a reasonable opportunity for public comment on the application and consider comments prior to submission of the application.

The Maine Arts Academy's ESEA application team has developed a draft proposal for the use of Title I, Title IIA, and Title IV funding for the 2021-2022 school year. Throughout the year, the ESEA Application team members have gathered and reviewed school-level data to plan for the use of ESEA funds in the upcoming year. MEAA's estimated ESEA funding allocation is:

Title I \$51,950
Title II \$11,326
Title IV \$10,000

We will prioritize the following areas:

1. Title I - Student instructional support in reading and mathematics.
2. Title II - Providing professional development opportunities for individual teachers and other school leaders to improve content knowledge, curriculum, classroom practice, and designing and implementing assessments based on learning standards.
3. Title IV - Providing students with learning opportunities that support a well-rounded education.

We look forward to your input!
